**LAKE FOREST VILLAGE CONDOMINIUM
FIRST AMENDMENT TO EXHIBIT "A"
BYLAWS**

Article VI, Section 11(b) of the Bylaws is hereby expanded to include the following additional paragraph:

In addition to any other remedies available to the Association, the Association shall have the authority to adopt one or more resolutions levying fines (including attorney fees) against a Co-owner who fails or refuses to cure infractions of any of these Bylaws. The resolution shall be adopted by the Board of Directors and shall establish a procedure for the notification of the infraction with time to cure. The resolution shall further provide that failure to cure within the specified time following appropriate notification will result in a fine to be established by the Board of Directors. Any fines so established shall be deemed an Assessment which shall be added to any other Assessments established and which shall be enforceable in the manner provided in these Bylaws and applicable to the collection and/or enforcement of any regular or special Assessment.

Article VII, Section 4 of the Bylaws is hereby expanded to include the following additional paragraph:

"A minimum of one tree is required to be planted on the front lawn. This tree is required to be a minimum size of 2" caliber, of the deciduous variety and planted approximately 8' from the curb. All landscape plans must be submitted to and approved by the Architectural Control Committee prior to installation of such landscaping.

Article VII, Section 7 of the Bylaws is hereby deleted in its entirety. The following is substituted in its place and stead:

Section 7. Antennae. Prior to the installation of a television or satellite dish antenna, the Co-owner must obtain approval from the Architectural Control Committee. A plan designating the size and location must be submitted for approval.

Article VII of the Bylaws is hereby expanded to include an additional section hereby designated as Section 17:

Section 17. Exterior Painting. All exterior color changes must be approved by the Architectural Control Committee prior to application. This includes, but is not limited to, garage doors, exterior doors, siding, trim, decking, etc.

Article VII of the Bylaws is hereby further expanded to include an additional section hereby designated as Section 18:

303247

Section 18. Basketball Hoops. Basketball hoops are not permissible. Only portable basketball hoops are permitted, each of which must be stored inside the garage when not in use.

Article VII of the Bylaws is hereby further expanded to include an additional section hereby designated as Section 19:

Section 19. Fences and Dog Runs. No fences shall be constructed on a Unit other than those approved by the Architectural Control Committee established pursuant to Article IX of the Master Deed and as part of a landscaping plan. Fences will be permitted (wrought iron or aluminum fences that are crafted to resemble wrought iron decorative fences) around any in-ground swimming pool in accordance with the applicable ordinances of the Township and subject to the prior written approval of the Architectural Control Committee. Dog runs for permitted animals must be an integral part of the approved residence and must be approved by the Developer or the Architectural Control Committee relative to the location and design of the fencing and appropriate landscape screening. Each Co-owner must keep any dog and dog run in a clean and sanitary condition. The location, design and materials of all fences shall be subject to the prior approval by the Developer.

Article VII of the Bylaws is hereby further expanded to include an additional section hereby designated as Section 20:

Section 20. Patio and Decks. Patio and/or decks shall be permissible subject to such standards as the Architectural Control Committee may, from time to time, specify. Patio walls shall be permissible, subject to such standards as the Architectural Control Committee may, from time to time, specify.

Article VII of the Bylaws is hereby further expanded to include an additional section hereby designated as Section 21:

Section 21. Tree Preservation. No Co-owner shall cut down or trim any trees located on the general common elements. Co-owners shall comply with any ordinance of the Township, including any woodlands regulations.

Article VII of the Bylaws is hereby further expanded to include an additional section hereby designated as Section 22:

Section 22. Wetlands. Areas depicted as Wetlands on the Condominium Subdivision Plan or on exhibits to the Declaration may not be disturbed without the prior approval of the township, the Michigan Department of Natural Resources and the Association. Co-owners are prohibited from clearing, swimming, grubbing and tree removal in the areas designated as Wetlands.

171318543

Article VII, Section 6 of the Master Deed is hereby deleted in its entirety. The following is substituted in its place and stead:

Section 6. Exterior Lighting. All exterior lighting, including lamp posts and fixtures, for any residence or garage must receive prior written approval from the Architectural Control Committee. Each Co-owner is responsible for the maintenance and upkeep of their exterior lighting and the two (2) exterior lights installed on the garage for that purposes. The exterior garage lights must be permanently operated by photo-electric cells.
